---

Freelancer With over 7 years of freelancing experience, I have successfully completed numerous projects, honing my skills and expertise along the way. My ultimate goal is to establish myself as a proficient web developer.

---

## EXPERIENCE

### PROFESSIONAL FREELANCER

Freelancing | Self Employed

JAN 2017 – MAY 2023

- As a diligent worker, I always work with utmost care and attention to detail, while giving utmost importance to deadlines and quality. My primary goal while working on Upwork is to ensure complete employer satisfaction by delivering quality work within the given time.

### HUB OPERATIONS EXECUTIVE

Parcelled | Surat

OCT 2015 – NOV 2016

- The management of all logistics matters with reference to both import & export.
- Ensure the safe receipt, storage, retrieval, and timely dispatch of goods.
- To manage and implement smooth warehouse operations incoming and outgoing systems through computerized administration and retrieval systems (ERP system).

---

## EDUCATION

### BACHELOR OF TECHNOLOGY IN COMPUTER ENGINEERING

Gujarat Technological University

JULY 2023 – JUNE 2026

### DIPLOMA IN COMPUTER ENGINEERING

Bhagwan Mahavir University

JUNE 2023

- I successfully completed a diploma in computer engineering from BMU University. This comprehensive program provided me with a strong foundation in computer science and engineering principles. I gained valuable knowledge and practical skills in areas such as programming, software development, algorithms, data structures, and web development.
  - CGPA 7.5
-
